Presentations 1988 - 2011

- 1988-1992 Arboriculture and Integrated Pest Management Workshops (Guest Lecturer).
VA Cooperative Extension Service. Chesterfield County, Virginia
- 1998 Forest Fridays and Adopt A Tree. VAST Conference. Omni in Richmond, VA
October 31, 1998.
- 2000 What's Going On Underground: The Value of Root Collar Inspections. Virginia
Native Plant Society (Shenandoah Chapter). December 14, 2000.
- 2001 On-line and Hands-on Approach to Tree Identification. VCCS Science Peer Group.
Norfolk, VA. February 23, 2001.
- 2001 Rain Gardens: Now Everyone Can Do Something to Improve Water Quality. 2001
Environment Virginia. Virginia Military Institute. April 4 & 5, 2001.
- 2001 Blue Ridge Community College Rain Garden: A Case Study. Rain Garden
Symposium. Blandy Farm/VA State Arboretum, Boyce, VA. August 21-22, 2001.
- 2001 History Runs Through Their Veins: Millennium Grove of Blue Ridge Community
College. National Urban Forest Conference. Omni Shoreham Hotel, Washington
D.C. September 5-8, 2001.
- 2001 The State of Change in Urban Forestry. Annual VA Urban Forest Council
Workshop. Waynesboro, Virginia. October 9, 2001.
- 2002 The History and Benefits of Urban Forests. Environment Virginia 2002. Virginia
Military Institute. Lexington, VA. April 9- 11, 2002.
- 2002 Have You Worked A Tree Into Your Lecture Today? International Conference on
Teaching & Leadership Excellence. National Institute for Staff & Organizational
Development. Austin Convention Center. Austin, TX. May 27, 2002.
- 2002 Compartmentalization of Decay in Trees. Central Virginia Forestry Technician
Training Conference. Virginia Department of Forestry. Holiday Lake,
Appomattox, VA. June 7, 2002.
- 2002 Benefits of Urban Forests. Staunton/Augusta Rotary Club. Staunton, VA. August 7,
2002.
- 2002 Arboriculture & Urban Forestry. Jim Britt Radio Show, Harrisonburg, VA. August
8, 2002.
- 2002 Making Trees Part Of The Solution - Not The Problem. September 19, 2002. 7th
Annual Plant Health Care Waynesboro Workshop. Waynesboro, Virginia
- 2002 The Role of Landscapes in CPTED. Annual Mid-Atlantic Chapter of the
International Society of Arboriculture Conference. Virginia Beach, Virginia.
October 1, 2002.
- 2003 Tree Cops: The Role of Landscapes in Crime Prevention. Mid- Atlantic
Horticulture Short Course. Virginia Beach, Virginia. January 20, 2002.
- 2003 ABCs of Pruning: ANSI Standards, Branch Biology, & CODIT. Urban Tree
Workshop. Rust Sanctuary, Leesburg, Virginia. February 20, 2003.
- 2003 ABCs of Pruning: ANSI Standards, Branch Biology, & CODIT. Urban Tree

- Workshop. Ivy Creek Wilderness Area, Charlottesville, Virginia. February 21, 2003.
- 2003 Role of Landscapes in Crime Prevention. Advanced Crime Prevention Course. Virginia Crime Prevention Association. Fredericksburg, Virginia. February 26, 2003.
- 2003 Trees and Construction. Tree Steward Training Course. VA Cooperative Extension. Charlottesville, Virginia. March 11, 2003.
- 2003 The Role of Landscapes in CPTED. Southern Chapter of the International Society of Arboriculture. Asheville, North Carolina. March 22-25, 2003.
- 2003 How To Design, Install, And Maintain A Rain Garden On Your Campus. Virginia Community College Science Peer Group Meeting. Hotel Roanoke, Roanoke, Virginia. April 4, 2003.
- 2003 How To Work Urban Forestry Into Any Curriculum. Virginia Community College Science Peer Group Meeting. Hotel Roanoke, Roanoke, Virginia. April 4, 2003.
- 2003 Role of Landscapes in Crime Prevention. Advanced Business Crime Prevention Course. Virginia Crime Prevention Association. Bristol, Virginia. May 19, 2003.
- 2003 Managing Mature Trees. Rosecliff Garden Club. Waynesboro, Virginia. July 1, 2003.
- 2003 Advanced CPTED Training Short Course: The Role of Landscapes in CPTED. Virginia Crime Prevention Association. Central Shenandoah Criminal Justice Training Facility. July 15, 2003
- 2003 The Role of Urban Forests in Crime Prevention. National Urban Forest Conference. San Antonio, Texas. September 17, 2003.
- 2003 Landscaping for Security: The Role of Landscapes in Crime Prevention. National Conference on Preventing Crime: Power of Prevention. Washington, D.C. October 12, 2003.
- 2003 Branch Biology and CODIT. Southeast Region Annual Meeting. Virginia Department of Forestry. Waverly, Virginia. October 22, 2003.
- 2004 Branching Out With A New Tool In Crime Prevention. Virginia Department of Transportation. Staunton Regional Safety Meeting. Staunton, VA. February 23, 2004.
- 2004 Tree Growth Regulators, Anti-transpirants, and New Corrective Pruning Strategies. Shenandoah Valley Regional Horticultural Conference. Weyers Cave, VA. February 25, 2004.
- 2004 Tree Cops: The Role of Urban Forests in Crime Prevention. Southern Group of State Foresters Annual Meeting. Charlottesville, Virginia. June 21, 2004.
- 2004 Recruitment and Training. Annual Mid-Atlantic Chapter of the International Society of Arboriculture Conference. Richmond, Virginia. September 28, 2004.
- 2005 Tree Biology. Mid-Atlantic Horticultural Short Course. Professional Horticulture Conference of Virginia. Virginia Beach, Virginia. February 1, 2005.
- 2005 Mulch: The Good, Bad and Ugly. Mid-Atlantic Horticultural Short Course. Professional Horticulture Conference of Virginia. Virginia Beach, Virginia. February 2, 2005.
- 2005 The Role of Landscapers in Maintaining Community Urban Forests. Mid-Atlantic Horticultural Short Course. Professional Horticulture Conference of Virginia. Virginia Beach, Virginia. February 2, 2005.

- 2005 Trees and Crime: The Role of Trees in Crime Prevention. The 22nd Annual Central Virginia Landscape Management Seminar. Piedmont Landscape Association. Albemarle County, Virginia February 10, 2005.
- 2005 Landscaping for Security: The Role of Landscapes in Crime Prevention. Landscape Contractors Association MD-DC-VA.
- 2005 Winter Workshop. Turf Valley Resort and Conference Center, Ellicott City, MD. February 15, 2005.
- 2005 Maintenance for CPTED Parks. "Focusing on Safer Parks & Public Green Spaces." The first Virginia statewide CPTED conference on parks. Lynchburg, Virginia. March 9, 2005.
- 2005 Structural Pruning (Keynote). 18th Annual Master Gardener College. Virginia Cooperative Extension Service. Virginia Tech, Blacksburg, Virginia. June 26, 2005.
- 2005 Mulch: The Good, Bad and Ugly. Virginia Department of Forestry Resource Management Academy. Smith Mountain Lake, Virginia. September 22, 2005.
- 2005 Tree Pruning. Virginia Department of Forestry Resource Management Academy. Smith Mountain Lake, Virginia. September 22 & 23, 2005.
- 2005 Landscaping for Crime Prevention. Virginia Department of Forestry Resource Management Academy. Smith Mountain Lake, Virginia. September 23, 2005.
- 2005 Mature Tree Care. Green Hills Garden Club. Raphine, Virginia. November 14, 2005.
- 2005 Structural Pruning. Master Gardener Volunteer Continuing Education Seminar. Charlottesville, Virginia. December 2, 2005.
- 2006 Building With Trees Around Your Home. Landowners' Woods & Wildlife Conference. Manassas, Virginia. January 21, 2006.
- 2006 Building With Trees Around Your Home. Landowners' Woods & Wildlife Conference. Charlottesville, Virginia. February 5, 2006.
- 2006 Making Sense of the ISA's Arborist Certification Program. Society of American Foresters (ApSAF; Appalachian Society). Annual Meeting. Charlottesville, Virginia. January 27, 2006.
- 2006 Knot Tying 101. Mid-Atlantic Horticulture Short Course. Virginia Beach, Virginia. January 30, 2006.
- 2006 Tree Triage. Mid-Atlantic Horticulture Short Course. Virginia Beach, Virginia. January 31, 2006.
- 2006 Trees Have Hormones... and They Know How To Use Them! Mid-Atlantic Horticulture Short Course. Virginia Beach, Virginia. February 1, 2006.
- 2006 Tree Triage. Mid-Atlantic Horticulture Short Course. Virginia Beach, Virginia. February 1, 2006.
- 2006 International Tree Failure Database. Virginia Department of Forestry. Charlottesville, Virginia. February 10, 2006.
- 2006 Training to Become a Certified Tree Worker. Tree Workers Field Day. Trees Virginia & Virginia Cooperative Extension. Culpeper, Virginia. April 28, 2006.
- 2006 ANSI Z133.1 Tree Workers Field Day. Trees Virginia & Virginia Cooperative Extension. Culpeper, Virginia. April 28, 2006.
- 2006 Young Tree Structural Pruning. Demonstration in the Blue Ridge Community College Arboretum. Augusta & Rockingham County Master Gardeners. Virginia

- Cooperative Extension Service. May 4, 2006.
- 2006 Tree Steward Training Topics: Plant Health Care, Trees & Construction, Pruning, Hazard Tree Evaluation. 19th Annual Master Gardener College (2006), Virginia Tech, Blacksburg, VA. June 21-22, 2006.
- 2006 Careful With That Axe Eugene: Pruning With Hormones (Keynote) 19th Annual Master Gardener College (2006), Virginia Tech, Blacksburg, VA. June 23, 2006.
- 2006 Introduction to the Certified Tree Worker Requirements and Demonstration of Knots to Know. Green Industry Professional Field Day and Trade Show. Professional Grounds Managements Society (DC Branch), NOVA Nursery and Landscape Association & VA Cooperative Extension Service. American University, Washington DC. July 20, 2006.
- 2006 Rain Gardens: A Sustainable Resource. Augusta County (VA) Headwaters Soil and Water Conservation District. Blue Ridge Community College, Weyers Cave, Virginia. August 15, 2006.
- 2006 ABC's of Pruning: ANSI, Biology, & CODIT. Landscape Anatomy: Trees, Soils & Turf. A Workshop For Landscape Professionals. Loudon County, Virginia Cooperative Extension Service. Banshee Reeks Nature Preserve, Leesburg, Virginia. August 25, 2006.
- 2006 Afternoon Presentations, Topics: Advanced Topics in Arboriculture - Trees Have Hormones and They Know How To Use Them!; Tree Triage; Tree Preservation During Construction. Virginia Department of Forestry Resource Management Academy. Smith Mountain Lake, Virginia. September 25, 2006.
- 2006 Young Tree Establishment: Fact & Fiction. Beverly Garden Club. Staunton, Virginia. September 28, 2006.
- 2006 Tree Hormones and They Know How To Use Them!. Annual Mid-Atlantic Chapter of the International Society of Arboriculture Conference. Virginia Beach, Virginia. October 3, 2006.
- 2006 Young Tree Pruning - Early Results From A Pruning Research Project. Annual Mid-Atlantic Chapter of the International Society of Arboriculture Conference. Virginia Beach, Virginia. October 3, 2006. With Co-Investigator Rob Farrell.
- 2006 MAC-ISA Certified Arborist Training. Morgantown, West Virginia. October 16-18, 2006.
- 2006 Sowing The Seeds of Safety with CPTED (CPTED = Crime Prevention Through Environmental Design). Virginia State Police Crime Prevention Recertification School. Richmond, Virginia. October 27, 2006.
- 2006 Branch Biology. Utah Community Forest Council/ISA-Utah Chapter. Ogden, Utah. November 2, 2006.
- 2006 Pruning With Tree Hormones. Utah Community Forest Council/ISA-Utah Chapter. Ogden, Utah. November 2, 2006.
- 2006 Tree Triage. Utah Community Forest Council/ISA-Utah Chapter. Ogden, Utah. November 2, 2006.
- 2006 The Role of Landscapes in Crime Prevention. Utah Community Forest Council/ISA-Utah Chapter. Ogden, Utah. November 2, 2006.
- 2006 Trees and Crime. Advanced CPTED Course. Richmond Police Academy. Virginia Crime Prevention Association. Richmond, Virginia. November 17, 2006.
- 2006 Tree Triage. Rockbridge Area Master Gardener Association. Rockbridge Regional

- Library. Rockbridge County Virginia Cooperative Extension Service. November 30, 2006.
- 2006 MAC-ISA Certified Arborist Training. Virginia Department of Forestry Headquarters, Charlottesville, Virginia. December 5-7, 2006.
- 2007 Roundtable Discussion: Pruning Symposium. International Society of Arboriculture. Phoenix, AZ. January 8, 2007.
- 2007 Trees Have Hormones... and They Know How To Use Them! Western Chapter of the ISA. Phoenix, AZ. January 9, 2007.
- 2007 The Role Of Urban Forests in Crime Prevention. North Carolina Urban Forest Council Annual Meeting. Greensboro, North Carolina. January 18, 2007.
- 2007 Pruning With Tree Biology In Mind. Shenandoah Valley Nursery & Greenhouse Association. Winter Short Course. Blue Ridge Community College, Weyers Cave, Virginia January 22, 2007.
- 2007 Pruning With Tree Biology In Mind. Green Industry Professional Seminar. DC Branch of the Professional Grounds Management Society. January 25, 2007.
- 2007 I Fought The ANSI Standards... And The ANSI Standards Won. Mid-Atlantic Horticulture Short Course. Virginia Beach, Virginia. Co-Presenter Scott Beecher. January 29, 2007.
- 2007 What Trees Expect of Soil. Mid-Atlantic Horticulture Short Course. Virginia Beach, Virginia. January 30, 2007.
- 2007 Understanding the Role of Landscapers in Urban Forestry. Mid-Atlantic Horticulture Short Course. Virginia Beach, Virginia. January 31, 2007.
- 2007 Trees Have Hormones... and They Know How To Use Them! Pennsylvania Landscape & Nursery Conference. Pennsylvania Landscape & Nursery Association. Penn Stater Conference Center. State College, PA. February 7, 2007.
- 2007 The Role Of Urban Forests in Crime Prevention. Pennsylvania Landscape & Nursery Conference. Pennsylvania Landscape & Nursery Association. Penn Stater Conference Center. State College, PA. February 7, 2007.
- 2007 The Natural History of Tree Branches and the Un-Natural History of Tree Pruning. Smithsonian In-Service Training. Baird Auditorium, National Museum of Natural History, Washington DC. February 21, 2007.
- 2007 What Trees Expect of Soil. Central Shenandoah Valley Master Gardener Association. Virginia Cooperative Extension Service. Fishersville, Virginia. March 1, 2007.
- 2007 Common Diseases of Woody Ornamentals: Their Cause and Sustainable Solutions. Piedmont Master Gardeners Association. Virginia Cooperative Extension Service. Charlottesville, Virginia. March 5, 2007.
- 2007 Common Diseases of Woody Ornamentals: Their Cause and Sustainable Solutions. Edith J. Carrier Arboretum Winter Lecture Series. James Madison University. Harrisonburg, Virginia. March 6, 2007.
- 2007 MAC-ISA Certified Arborist Training. Montgomery College. Germantown, Maryland. March 13-15, 2007.
- 2007 Landscape and Lighting. Virginia Crime Prevention Association Annual Conference. March 20, 2007.
- 2007 Roots & Shoots: An Arborist's View of Nursery Material. Northern Virginia Nursery Landscape Association. Merrifield Garden Center, Falls Church, VA.

- March 26, 2007.
- 2007 Trees Have Hormones... And They Know How To Use Them. Northern Virginia Nursery Landscape Association. Merrifield Garden Center, Falls Church, VA. March 26, 2007.
- 2007 Mature Tree Care. Shenandoah District Virginia Federation of Garden Clubs. Harrisonburg, VA. April 12, 2007.
- 2007 Rain Gardens and Water Quality (Lecture & Hands-On Construction Experience). 20th Annual Master Gardener College, Virginia Tech, Blacksburg, VA. June 20-21, 2007.
- 2007 Young Tree Structural Pruning. Green Industry Professional Field Day and Trade Show. Professional Grounds Managements Society (DC Branch), NOVA Nursery and Landscape Association & VA Cooperative Extension Service. American University, Washington DC. July 19, 2007.
- 2007 Back To Basics. (Daylong workshop). International Society of Arboriculture. Honolulu, Hawaii. August 1, 2007.
- 2007 The Influence of Young Tree Pruning on Mature Tree Structure. Virginia Nursery Landscape Association Field Day. Waynesboro Nursery, Waynesboro, VA. August 16, 2007.
- 2007 Caring for Mature Trees. Sherwood Garden Club. Elkton, VA. September 5, 2007.
- 2007 What Trees Expect of Soil. Annual Mid-Atlantic Chapter of the International Society of Arboriculture Conference. Virginia Beach, Virginia. October 3, 2007.
- 2007 Right Tree, Right Place. Invasive Species Workshop Series. Woodstock, VA (October 15, 2007) and Harrisonburg, VA (October 22, 2007).
- 2007 Client Contracts and Tree Evaluations. It's All About The Trees Workshop Series. VA Cooperative Extension. Fredericksburg, VA (October 17, 2007), Manassas (October 18, 2007), and Charlottesville (October 19, 2007).
- 2007 Tree Support and Lightning Protection Systems. It's All About The Trees Workshop Series. VA Cooperative Extension. Fredericksburg, VA (October 17, 2007), Manassas (October 18, 2007), and Charlottesville (October 19, 2007).
- 2007 MAC-ISA Arborist Certification Training. December 4 - 6, 2007. Charlottesville, VA.
- 2008 Tree Triage. Idaho Horticulture Expo. Boise, ID. January 16, 2008.
- 2008 The Role Of Urban Forestry in Crime Prevention Through Environmental Design. Idaho Horticulture Expo. Boise, ID. January 16, 2008.
- 2008 Woody Plant Biology and Water Management. Fairfax County Master Gardener Training. Virginia Cooperative Extension Service. Fairfax County, Virginia. January 23, 2008.
- 2008 Tree Biology. Mid-Atlantic Horticultural Short Course. Professional Horticulture Conference of Virginia. Virginia Beach, Virginia. January 29, 2008.
- 2008 Beyond the Yard to the Woods We Go: New Opportunities for Service Providers. Mid-Atlantic Horticultural Short Course. Professional Horticulture Conference of Virginia. Virginia Beach, Virginia. January 29, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them! Mid-Atlantic Horticultural Short Course. Professional Horticulture Conference of Virginia. Virginia Beach, Virginia. January 30, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them! Western Chapter of the

- ISA. Phoenix, Arizona. February 8, 2008.
- 2008 Cold Tree Biology: Influence of Cold Temperature Extremes on Trees. Western Chapter of the ISA. Phoenix, AZ. February 8, 2008.
- 2008 Branch Biology and Pruning. Friends of Green Spring. Alexandria, VA. February 17, 2008
- 2008 Tree Biology (3 hours). Charlottesville Tree Stewards. VA Cooperative Extension. Charlottesville, VA February 25, 2008.
- 2008 Dispelling Tree Care Myths. Beverley Garden Club. Staunton, VA. February 28, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them. Garden State Tree Conference. Rutgers Cook Campus, New Jersey. March 6, 2008.
- 2008 MAC-ISA Arborist Certification Training. Montgomery College, Germantown, Maryland. March 11-13, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them! ISA Southern Chapter. Knoxville, TN March 17, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them. Western Chapter ISA Annual Conference: "Roots, Shoots and Research" San Jose, California. May 2, 2008
- 2008 Back To Basics (Daylong Workshop). Florida Tree Conference. Fort Lauderdale, Florida. June 8, 2008.
- 2008 What Trees Expect of Soil. Florida Tree Conference. Fort Lauderdale, Florida. June 9, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them! Florida Tree Conference. Fort Lauderdale, Florida. June 9, 2008.
- 2008 Young Tree Structural Pruning (Daylong Workshop). Private training for Casey Trees and DC UFA. Washington DC. July 7, 2008.
- 2008 What Trees Expect of Soil (Hands On Demonstration). Green Industry Professional Field Day and Trade Show. Professional Grounds Managements Society (DC Branch), NOVA Nursery and Landscape Association & VA Cooperative Extension Service. American University, Washington DC. July 17, 2008.
- 2008 MAC-ISA Certified Tree Worker/Climbing Specialist Training. Takoma Recreation Center, Washington DC. July 18 & 19, 2008.
- 2008 Managing Mother Nature's Graffiti (Invasive Species). International Society of Arboriculture Annual Conference. St. Louis, MO. July 29, 2008.
- 2008 MAC-ISA Arborist Certification Training. Virginia Highlands Community College, Abingdon, Virginia. August 5-7, 2008.
- 2008 Certified Tree Worker/Climbing Specialist Training. Culpeper, VA. August 29 & 30, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them! South Carolina Arborist Workshop. Columbia, South Carolina. September 11, 2008.
- 2008 Climate Change and Tree Biology. Annual Mid-Atlantic Chapter of the International Society of Arboriculture Conference. Blacksburg, Virginia. October 1, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them! Kentucky Arborist Workshop. Kentucky Chapter of the ISA. Location TBA. October 15, 2008.
- 2008 Trees Have Hormones and They Know How To Use Them! New Jersey Shade Tree

- Federation Conference. Cherry Hill, NJ. October 25, 2008.
- 2008 The Three R's of Tree Selection: Right Tree, Right Place, & Right Function. Human Habitats: Becoming a Steward of Your Property. Land Care Stewardship Seminar. Virginia Cooperative Extension Service. Charlottesville, Virginia. December 8, 2008.
- 2008 Young Tree Structural Pruning (Daylong Workshop). Private training for Casey Trees and DC UFA. Washington DC. December 13, 2008.
- 2008 MAC-ISA Arborist Certification Training. Virginia Department of Forestry, Charlottesville, Virginia. December 16-18, 2008.
2009. Landscaping to Support Crime Prevention Through Environmental Design. Henrico Police Training Facility. Richmond, VA. January 7, 2009.
- 2009 Trees Have Hormones and They Know How To Use Them! Keynote Presentation. Inland Turf Tree Landscape Conference. Coeur d'Alene Resort, Coeur d'Alene, Idaho. January 22, 2009.
- 2009 Managing Mother Nature's Graffiti (Invasive Species). Inland Turf Tree Landscape Conference. Coeur d'Alene Resort, Coeur d'Alene, Idaho. January 22, 2009.
- 2009 Climate Change and Tree Biology. Inland Turf Tree Landscape Conference. Coeur d'Alene Resort, Coeur d'Alene, Idaho. January 22, 2009.
- 2009 Making Sense of the ISA Arborist Certification Program. The Virginia Association of Forest Health Professionals. 17th Annual Conference. Staunton, VA. February 2, 2009.
- 2009 Climate Change and Tree Biology. Tree Care Symposium. Lewis Ginter Botanical Garden. Richmond, VA. February 13, 2009.
- 2009 Training. Private training for Virginia Logos. Richmond, VA February 16, 2009.
2009 MAC-ISA Certified Tree Worker/Climbing Specialist Training. Rockwood Manor Park. Potomac, MD. March 10-11, 2009.
- 2009 MAC-ISA Certified Arborist Training. Montgomery College, Germantown, Maryland. March 10-13 & March 17-19, 2009.
- 2009 The Three R's of Tree Selection. Louisa County Beautification Festival. Louisa County, VA. April 4, 2009.
- 2009 Why Invasive Tree Species are Invasive. Florida Vegetation Management Association. Daytona Beach, FL. April 17, 2009.
2009. Pruning Workshop (daylong). Casey Trees. Washington, DC. May 9, 2009.
- 2009 The Role of Trees in Crime Prevention Through Environmental Design. Virginia Main Street/Virginia Downtown Development Association. Harrisonburg, VA. May 27, 2009.
- 2009 Basic Tree Care (Training for Tree Stewards). 22nd Annual Master Gardener College. Virginia Cooperative Extension. Virginia Tech, Blacksburg, VA. June 18, 2009.
- 2009 Climate Change and Tree Biology. 22nd Annual Master Gardener College. Virginia Cooperative Extension. Virginia Tech, Blacksburg, VA. June 19, 2009.
- 2009 MAC-ISA Certified Tree Worker/Climbing Specialist Training. Norfolk Botanical Gardens. Norfolk, VA. July 16-17, 2009.
- 2009 Trees Have Hormones and They Know How To Use Them. International Society of Arboriculture Annual Conference. Providence, RI. July 28 or 29, 2009.
- 2009 MAC-ISA Certified Arborist Training. Abingdon, VA. August 4-6, 2009.

- 2009 Managing Mother Nature's Graffiti (Invasive Species). MAC-ISA International Society of Arboriculture Annual Conference. Ocean City, MD. October 20, 2009.
- 2009 Diagnosing Soil Disorders. MAC-ISA International Society of Arboriculture Annual Conference. Ocean City, MD. October 20, 2009.
- 2009 Managing Mother Nature's Graffiti (Invasive Species). Desert Green Conference. Las Vegas, NV. October 22, 2009.
- 2009 Trees Have Hormones and They Know How To Use Them. Desert Green Conference. Las Vegas, NV. October 23, 2009.
- 2009 MAC-ISA Certified Arborist Training. Charlottesville, VA. December 8-10, 2009.
- 2010 Trees and Turf: An Antagonistic Relationship? Mid-Atlantic Horticulture Short Course. Virginia Beach, VA. January 25 and January 26, 2010.
- 2010 Climate Change and Tree Biology. Mid-Atlantic Horticulture Short Course. Virginia Beach, VA. January 25, 2010.
- 2010 Diagnosing Soil Disorders. Richmond Tree Stewards. Richmond, VA. March 2, 2010.
- 2010 MAC-ISA Certified Arborist Training. Rockwood Manor, Potomac, MD. March 10-12, 2010.
- 2010 Stopping Mother Nature's Graffiti: The Role of Arborists in Managing Invasive Tree Species. 48th Annual Minnesota Shade Tree Short Course. Bethel University. March 16, 2010.
- 2010 Trees Have Hormones... And They Know How To Use Them! 48th Annual Minnesota Shade Tree Short Course. Bethel University. March 17, 2010.
- 2010 Trees Have Hormones... And They Know How To Use Them! New York State Arborist Winter Education Seminar. Suffern, NY. March 22, 2010.
- 2010 Trees and Turf: An Antagonistic Relationship. New York State Arborist Winter Education Seminar. Suffern, NY. March 22, 2010.
- 2010 Pruning With Tree Biology In Mind. New York State Arborist Winter Education Seminar. Suffern, NY. March 22, 2010.
- 2010 Soil and Urban Forests. Arbor Day Ceremony. Staunton, VA. April 30, 2010.
- 2010 MAC-ISA Certified Arborist Training. Washington, DC. July 22, 29, & August 5, 2010.
- 2010 Tree Biology Through The Seasons. International Society of Arboriculture Annual Conference. Chicago, IL. July 26, 2010.
- 2010 Soils: Biology/Chemistry/Physical Properties and Diagnosing Disorders. Tree Stewards of Richmond, VA. Richmond, VA. September 28, 2010.
- 2010 Up By Roots. (Assisted Jim Urban in daylong field presentation). MAC-ISA Annual Meeting. Morgantown, WV. October 3, 2010.
- 2010 Tree Biology Through The Seasons. Desert Green. Las Vegas, NV. October 21, 2010.
- 2010 Trees and Turf: An Antagonistic Relationship. Desert Green. Las Vegas, NV. October 22, 2010.
- 2010 MAC-ISA Certified Arborist Training. Charlottesville, VA. December 7-9, 2010.
- 2011 Trees Have Hormones... And They Know How To Use Them! Empire State Green Industry Conference. Rochester, NY. January 12, 2011.
- 2011 Trees and Turf: An Antagonistic Relationship. Empire State Green Industry Conference. Rochester, NY. January 12, 2011.

- 2011 Pruning and Tree Biology. Empire State Green Industry Conference. Rochester, NY. January 12, 2011.
- 2011 Certified Arborist Training. Mid-Atlantic Horticulture Short Course. Virginia Beach, VA. January 25-26, 2011.
- 2011 Plants of Appalachia and Their Uses. March 6 & March 19, 2011.
- 2011 MAC-ISA Certified Arborist Training. Frederick, MD. March 8-10, 2011.
- 2011 Trees and Turf: An Antagonistic Relationship. Master Naturalists. Virginia Cooperative Extension. Wytheville, VA. March 13, 2011.
- 2011 Tree Preservation Before, During and After Construction. Richmond Tree Stewards. Richmond, VA. March 15, 2011.
- 2011 Woody Plants. Rockingham Cooperative Extension Service, Harrisonburg, VA. March 24, 2011.
- 2011 MAC-ISA Certified Arborist Training. Fairfax, VA. June 16, June 23 & June 30, 2011.
- 2011 Trees and Turf: An Antagonistic Relationship. ISA Western Chapter. Anaheim, CA. September 16, 2011.
- 2011 Trees Have Hormones... And They Know How To Use Them! ISA Western Chapter. Anaheim, CA. September 16, 2011.
- 2011 How We Hurt The Trees We Love: A Caretaker's Dilemma. (Keynote) Virginia Tree Stewards Symposium. Richmond, VA. September 27, 2011.
- 2011 Trees and Turf: An Antagonistic Relationship. Pacific Northwest Chapter of the ISA's 2011 Annual Training Conference. Coeur d'Alene, Idaho. October 4, 2011.
